

# ATTEND THE AMP SoCal BI-ANNUAL MEETING

## INDUSTRY IN TRANSITION - CHANGES IN AEROSPACE & DEFENSE

Attend the upcoming AMP SoCal Bi-Annual meeting and join C-level leaders, management and manufacturers in Southern California's supply chain, at one of the region's foremost aerospace-focused events. A distinguished group of speakers and panelists – which include representatives from local and state government, Virgin Galactic, Millenium Space Systems and the Los Angeles Air Force Base – will present applicable and topical information for current and future business advancement. Register today and join us on March 9.
